# ACHIEVEMENT BADGES

## WILDLIFE

### Mini Achievement Badge

#### Learning Objectives

Learn what eight species of wild animal look like, where they live and what they eat.

#### Syllabus

- 1 Be able to recognise animals from the following list:
  - ▶ Warthog
  - ▶ Zebra
  - ▶ Giraffe
  - ▶ Impala
  - ▶ Lion
  - ▶ Elephant
  - ▶ Buffalo
  - ▶ Rhino
- 2 Know where each animal lives.
- 3 Know what each animal eats.

#### Teaching Ideas and Resources

- 1 Show photos of all the animals.  
Colour in diagrams of the animals.  
Similar sized photos of animals to be placed in order from largest animal to the smallest.  
Sit in circle, each child to make an animal noise, others to guess what animal they are.

- 2 Have two columns, one column is a list of animals, the other column is a list of the animals' homes; draw lines to connect the animals with their correct homes.
- 3 Take a handful of hay, grass, leaves, grain and perhaps some mince. Sit in a circle; ask the class to discuss what each animal will eat from the selection you have bought. Do they eat anything else?

## Questions

- 1 Show a photo of all the animals above and ask for correct identification.
- 2 Select four animals and ask where they live.
- 3 Select four animals and ask what they eat.
